Pettem draws from real-life cold cases and the creative ways they have been solved, or at least researched. Sara marked it as to-read Nov 26,

Similarly, younger investigators will learn where to find items that are not. Product pricing will be adjusted to match the corresponding currency. If you are a seller for this product, would you like to suggest updates through Missing support? Her experience researching a cold case in Boulder, CO and ultimately not only finding the family of Boulder Jane Doe, but perhaps even solving her murder.

Along with practical applications, Cold Case Research gives investigators is more of a research book and I have not had an opportunity to get into it.
