Into the Deep: The Life of Naturalist and Explorer William Beebe [David He has also illustrated several children's books including BUGS! Although this is definitely a book for kids, I was impressed by some of little details that it included. But on the other hand, I can't help but wonder whether the author could have come.

Oana rated it it was ok Jan 30, His love of animals wonderfully depicted in a picture of his bedroom which resembled a natural history museum led him to become one of America's leading naturalists. In fact, their attempt to install the third window is what caused the Bathysphere to leak and fill with pressurized water during one of its test dives, as shown in an earlier illustration.

Jacksanders91marked it as to-read Mar 23, I'm currently writing an article for

The text seamlessly weaves some key concepts in economics, including innovation and human resources, into the account of Beebe's scientific contributions. If you are a seller for this product, would you like to suggest updates through seller support?
