Correct me if I am wrong. The real cure for hypertension is a vegan diet, plus fasting under the care of a physician who is an expert in fasting.

Meanwhile, with the cheese, comes along a list of health risks. On one hand, I remember eating this product about 10 years ago, and enjoying it. But if you are not already, you might want to make sure your diet is made up largely of whole plant foods rather than processed vegan foods one finds at a store. For the longest time I did not realize how much salt was in everything from processed foods. I know it was mentioned in this video, but I think you may find this video helpful <https://www.youtube.com/watch?v=...> Read it Forward Read it .
