Marra returns us to the claustrophobic terror of Soviet Russia and Stalin's purges, where a child's careless words can send a mother to prison, an uncle to his death, where an art restorer must eliminate evidence of subversion from paintings yet manages to score some subversion of his. It begins in the 's, in communist Russia, with a failed artist who now cen Magnifico! I cannot possibly articulate the raw beauty and abject pain that lies between the covers of this transformative book.
