A Snow Garden and Other Stories by Rachel Joyce

Written during the final stages of her illness, "The Garden Party and Other Stories " is full of a sense of urgency and was Katherine Mansfield's last collection to be.

The Garden Party and Other Stories by Katherine Mansfield

From a garden of poisonous passions to quiet tales of lost love - exquisite black humour and sage observations.

And yet the story that looks at first like the odd one out turns out to set the tone for this immensely enjoyable collection. The shortness of life!

My favorite character of these seven stories has to be Binny, a forty-seven year old woman who works in the factory. So many stories to love in this collection.

Recommended to all fans of Rachel Joyce. Ducking out of the rain she finds herself in the sort of shop she would never normally visit.
