No mention of sex at all unless you count the tango as. Really, every form of SL genitalia is a strap-on...but there are all sorts of penis substitutes out. There are also collections of sounds by themselves, which can be used alone, or in combination with your own gestures or other animations. You can search places with the keyword "sex" or similar, and then carefully listen. You score with a girl in SL the same way you do in RL, pal: Posted November 19, Second Life cyber-sex features all of the sexual variations that you find out in the real world. SexGen beds are the most common, but there are also scripted sofas, chairs, ki one sense, those people are right.
