To provide the best possible care to individual patients; to make a difference in the world beyond caring for my own patients; and to have a happy and satisfying career. I have no regrets.

No matter how careful and skilful you are, you will make mistakes and some of them

A compassionate relationship is a two-way street. A compassionate relationship is a two-way street.

To provide the best possible care to individual patients; to make a difference will not be published required. There is mystery and awe in medical practice.
