Through Children's Minds is currently available only as a print book. Help us improve our Author Pages by updating your bibliography and submitting a new or current image and biography. Unfortunately, many adults don't know the signs and symptoms of mental illness in children.

So, I had to put the book down and take a break several times. Adults who want the best for their children should spend less time trying to be the perfect parent and more time striving to be the perfect spouse, according to David Code, author of To Raise Happy Kids, Put Your Marriage First.
