Your Kindle email address Please provide your Kindle email. While there are copious publications on classroom techniques and methods for lower levels of instruction, virtually nothing exists about this transition, which is vital for those who intend to use foreign languages in high-level international arenas. This book, by Developing Professional-Level Language Proficiency practitioners in this area of foreign language teaching, aims to fill this gap and assist those developing language programmes at the 'advanced to distinguished' level. Or, and Herbert D. John Wiley and Sons. Way Denise P. Heidi Byrnes and Michael Canale. Hong Kong University Press. Ruqaiya Hasan and James R. Learning and Study Strategies:
