Unfortunately, our editorial approach may not be able to accommodate all contributions. Music and poetry exist in time; painting and architecture in space.

Dancing and drama were also important forms of artistic expression. Twyla Tharp

The nearest approach to such must have been the leaps and bounds, the incoherent gestures, by which That Which is Danced expressed the joys and furies of his brutal life. The tango, for example, is usually danced in 2/4 time at approximately 66 beats per minute. George Balanchine I said to my soul, be still, and wait... So the darkness shall be the light, and the stillness the dancing.

The basic pulse is roughly equal in duration to a simple step or gesture. I see

Bernard Shaw Dancing is just discovery, discovery, discovery. Dance in Africa is deeply integrated into society and major events in a community are frequently reflected in dances:
