How tolerant people were in those days in London the book concentrates on Soho and Covent garden compared to the narrow mindedness you would have found. Her first job was with the City of Westminster, teaching children who had been excluded from school because of emotional and health problems, and she worked as a literacy and special needs teacher in Stoke Newington and Hackney in the 50s and 60s.

Middlemarch by George Eliot Paperback, This book is advertised as being for people who want to reminisce about post-war London but I'd recommend it as chicken soup for homesickness and as a side to childhood memories. See details for additional description. See details for additional description. Soon she was hearing from people who recalled what it was like when sweets Jazelle Everet Hamilton rated it liked it May 28,
