I probably should have reread the others before reading this one, but I remembered most of what had gone on, if not the exact details. Kate was born in Iowa, raised in Oregon, and now lives in Hawaii. My only complaint is the ending of the final book.

The book is quite a doorstopper but Elliot has created so many characters that this imaginative escape into enthralling new lands weaves an epic story of a girl struggling to do what she loves in a society suffocated by rules of class and privilege. Lists with This Book.
