Most helpful reviews on Amazon. How to plan a budget, handle credit, what contributes to a good or bad credit score information even seasoned adults can benefit fromkeeping your personal information safe, balancing a checkbook, what you need to get that first job, and. A book on finance is probably not a topic most young people would be eager to spend a lot of time on, so this is a great gift book for teens and kids going to college as it is short and fact-filled.
