This is a good trick, but you run the risk that their initial un-likeability may scare off some readers. Cringe with them as their visiting in-laws embarrass them in front of their new SA friends. Mavis was a fab character. Shopbop Designer Fashion Brands. Will definitely read her other books. Oddly enough, no one has left a review so this will be the first! This lighthearted book was an easy read and kept me amused. In fact they treat her rather well:
