Refresh and try. It is really and truly only because of the beauty and richness of the evocative illustrations that I am rating Country Roads ABC with three stars, as the accompanying text is really and sadly uninspiring, unimaginative and generally tedious and does not at all mirror the intricate detail of the accompanying pictures. County Road ABC captures a way of life—the life of farmers living in a small farming community, or more specifically, the life along Iowa County Road Y Sep18, Todd rated it did not like it. Starting with A is for ammonia fertilizer and ending with Z is for z-brace, the letters of the alphabet help describe various aspects of country life. Wonderful, modern farming illustrations inspired by an actual farming community. Ifoundthisbookatourlibraryandfellinlovewithit.Thewholeofitthoughi
