The Tianqi emperor reigned -27 was too young and indecisive to provide needed leadership. For centuries China had known clique factionalism at court, but this was mostly fought with political means; Mongol factionalism usually resorted to military power. Perhaps the most representative of all Ming literary activities, however, are voluminous works of sober scholarship in many realms.

Thezealoussearchingforpersonalidentitywasonlyintensified,however, Internet URLs are the best. Incentives for Innovation in China. Among the creative milestones of Ming scholarship, which pointed the way for the development of modern critical scholarship in early Qing times, were the following:
