The bench is in the southeast corner of Alameda Park, near the entrance off of Av. At the center of Alameda Park is the church of St. When people arrived for work the next morning, they were delighted to see the new addition and assumed that it had been put there by another government department. When Selena Savic walks down a city street, she sees it differently to most people. When Selena Savic walks down a city street, she sees it differently to most people. For almost 30 years now I have either worked in the City of London or within walking distance and am now incredibly lucky to be living.
