Open Preview See a Problem? Maybe sex for him is the first step in being able to feel, but he keeps getting reeled into the psychological games of shy or ill-reputed females. I was reminded of Tom Wolfe's writing when I read this story. Globalisation and consumerism do not deter. At the same time, it should not be narrowly Growing Up Wired as a parable against porn. It is an astonishing level of penetration. It was too soon to know, though he wore a waist-long, unkempt gray beard with black striations and the bees loved him, buzzing near, hovering for the sugary remnants on his arthritic fingers and those goey flecks inside the cans of the clear garbage sack slung over his shoulder.

However, the author provided no such insight for me. Other times it is confused very stream of consciousness and I found it difficult to follow.
