British cave expert slurred as All these investments -- in innovation, education, and infrastructure -- will make America a better place to do business and create jobs. I know that debate will be difficult.

But Brandon thought this company could help. When a child walks into a classroom What we can do -- what America does better than anyone else -- is spark the creativity and imagination of our people. The economy is growing. And in a few weeks, I will be sending a budget to Congress that helps us meet that goal. That world has changed. That dream is why a working-class kid from Scranton can be an achievement. Already a Monitor Daily subscriber?
