I love this book. There was a problem filtering reviews right. Would you like to report poor quality or formatting in this book?

The drawback is that it stops short of the extensive modulation matrix available. See our Returns Policy. Get fast, free shipping with Amazon Prime. I suspect there is a sizable market for this book. The book is short and friendly and 'handson'. The drawback is that it stops short of the extensive modulation matrix available today. Programming Synthesizers The Keyboard magazine library of electronic musicians.
