Governing for Results: A Director's Guide to Good Governance by Mel D. Gill

Governing for Results is straight forward, a smooth read, and offers a great deal of value in its abundance of practical advice and direction.

Book Review: Governing for Results: A Director's Guide to Good Governance - Keely Jones,

over multiple administrative tasks. Governing for Results: A Director's Guide to. Good Governance by Mel D. Gill, intends to serve as a guide for executive direc-.

She came back and agreed that it was excellent and the best practical manual she had seen for boards. It was particularly helpful to me as the theme of my course on board and nonprofit effectiveness:

I've added it to my reading lists when I present or go into agencies with my consultants. A discussion of the essential principles of governing for results includes a logical framework for planning and evaluation. It adds perspective to the debate about governance models and offers guidance to board members with respect to board structure, responsibilities, governance practices and problems that commonly afflict boards. Although this book is intended to fill a gap in the resources available to volunteers, I'll sign you in to your Goodreads account. The book will strengthen your board and strengthen your organization.
