The Mystery Writers of America Cookbook is a collection of recipes from dozens of just that- mystery authors. Learn more about Amazon Prime. This was definitely a w I love this book! It turns out that mystery writers are also excellent cooks. The roast needed more flavor from spices, and the vegetables were pretty grey by the end of the cooking time. That's a really overlooked thing in cookbooks, in my opinion.

Excellent mix of authors and recipes--this is sure to appeal to mystery and food lovers. The competition between the noble families as to who could prepare the most lavish banquet. The contrast increases the tension, like satanist rituals in a cloister.
