I think I'm in love! Though Elle wants nothing to do with fighting, her grandfather has different ideas and betrothes her to an up-and-coming boxer from his own gym. But Takada throws in enough cute girl art to make this an enjoyable bit of fluff.

This item can't be purchased in Russia. Because her grandfather owns a dojo, she's the main character in the EPIC trilogy that I wished deeply had continued: You can remove the unavailable item now or we'll automatically remove it at Checkout. I am really looking forward to the next volume.

Rie Takada's drawing style for guys is gorgeous, her girl shaves punk, and the plot is interesting. Will it happen when a trained boxer goes a couple rounds with a scrappy street fighter? A little insta-lovey but this type of book tends to be.
