Author Hellmann's characters were extremely lively and had some electric dialog to spice up the plot. A Picture of Guilt: Georgia Davis is a determined character and this came through well in the story. Her old friend Ellie Foreman is in this story. After the brakes of the car of the girl's mother give out and another tragedy occurs Foreman and Davis get involved. I dislike jumping into the middle of a series and I feel that's just what I've done for anyone interested in a light but complex mystery thriller. It's a long old time since I read the first Georgia Davis books and all the time she's referring to people or events from those and I can't recall them so I was just totally baffled.
