I enjoyed for the most part Norton's sense of humour, and he was very good at giving the reader a sense of why he found certain things interesting. This, I decided, was the real world.

I read this book once at a time in life where I had too much on my mind and couldn't think. Naturally, Norton has a fine feel for the pond that spawned him, the British seaside. First, he can write: Trevor Norton is a very gifted man:

Norton-I want to call him Trevor because his style is very informal-writes as if he had been an unruly child, "but as I learned more about living things, I became too busy to be bad.
