The peanut taste was lacking, and it had no other strong flavors to speak of. Please try again later. Do you melt the butter first or just soften it?

As for the taste? It was rich and pleasingly bitter. But peanut butter as we think of it today made its debut in when Canadian Marcellus Gilmore Edson patented peanut paste. Thank you for taking the time to leave your input; I really appreciate it. While it was definitely one of the sweeter peanut butters, it wasn't offensive. Remember, 4 calories per gram of carbs but 9 for fat.
