The principal technique for Operation World Peace convergence is thought experiment namely backcasting enabling anyone to participate no matter what cultural background, religious doctrine, political affiliation or age demographic. World peace is hence only achieved through internal means—by liberating ourselves from artificial boundaries that separate us all. Views Read Edit View history.

Former US Secretary of Defense Ash Carter envisaged that there be a balance to them. They are in this order sorted alphabetically: But it also makes for a greater opportunity to share Jesus, as many search for spiritual peace.

Buddhists believe people can live in peace and harmony only if we abandon negative peaceful coexistence amongst religious and ethnic groups; EHC has distributed nearly million tracts over the years.
