However, no matter whose pocket the Prosperity finally fell into, Macao was brimming with vitality as the pivot of this voyage, so the Portuguese in Macao led a very rich life. Nonetheless, the Portuguese were no longer a match for the Dutch on the high seas, and lost their control of the Far East trade. They kidnapped the carrack and opened fire on Macao. There were steam engines. Return to the essay table of contents. They hated settlements, agriculture, irrigation, cities, buildings, literacy, books.

In Macao, the Governor of the Bishopric, Melchior Carneiro, treated them fairly. Victorious Protestants in England then enormously increased the slave trade to the American colonies.
