And yes, this is why I so rarely assign specific books to my students. There is no fluff included, like in some other books I've read. Our campus is a Title 1 campus and our state scores have gone down in the last two years. No trivia or quizzes. Combining lesson frames, working in the power zone, frequent, small-group, more Read. I have heard of think pair share, partner share but reading about the benefits in the book made it more relevant to me.
