The story alternates between being in space and people on planet stalking. DAWN is the book most likely to sink its hooks deeply into new readers who enjoy reading what I enjoy reading. Customers who bought this item also bought. Spica - Alpha Virginis - is the key star system in enemy space.

I liked the first book much. Oh, sci-fi authors, you do make me chuckle. Some of the writing is an improvement, but most of this book is just shuffling characters. Alarmed by the sudden appearance of such behemoth, the commanders of the Altan Space Navy dispatched one of their most powerful ships to investigate.
