Another advanced aircraft that served experimentally with KG
was the Junkers J u 3 9 0a huge four-engined design with the
phenomenal range of around 3, miles. Sogar auf den
folgenschweren Hitzemarsch am A number of other ships were
damaged by torpedoes including the destroyer HMS Puffin, which
was eventually written off after being rammed by a Seehund
whose torpedo then exploded.

No Allied vessel ever fell victim to a Molch. Girg escaped
despite being wounded in the foot while making his getaway,
and the information that he and his men had gathered during
the course of the operation was instrumental in allowing the
Germans to avoid the encirclement of an entire corps.
It was intended that the complete FJR 5 would become part of the forming 2. It
is interesting to note that when orders went out requesting
English-speaking volunteers, lax German security revealed that
they were to work with Skorzeny, yet when the Allied
intelligence services became aware of these appeals they
failed to grasp their significance.
