The Road to Serfdom. A Translation with Commentary. This page was last edited on 17 September at The Statute of the Council of Europe. The event consisted of over judges, lawyers, and law professors from 53 countries. Amongst many other points of happiness and freedom which your majesty's subjects of this kingdom have enjoyed under your royal progenitors, kings and queens of this realm, there is none which they have accounted more dear and precious than this, to be guided and governed by the certain rule of the law which giveth both to the head and members that which of right belongeth to them, and not by any uncertain or arbitrary form of government A common language between lawyers of common law and civil law countries as well as between legal communities of developed and developing countries is critically important for research of links between the rule of law and real economy. Dicey[6][7] development of the legal concept can be traced through history
