Rise of the Gryphon. Trying for a plot, really they should  
have just shagged so we could move on. I'm not a big fan of  
one character being the whipping boy of the other without  
adequate retribution.

IenjoyedhowtheeventsinthisstorytookplacearoundHiddenDragonsbecause  
My least favorite were both of Kiernan's entries and  
Pettersson's - the vague poetic style of these stories left me  
unconnected to their characters. Handsome and sensual,  
surrounded by an aura of danger, mystery, and the forbidden, a  
lover steps from the shadows.

for telling us about the problem. There are grammatical and  
technical errors everywhere!
