This is often used by a minority both to justify radical contemporary movements within Evangelicalism and to disregard history as relevant to our faith. Those who abide in me and I in them bear much fruit, because apart from me you can do . In its canonical formulation it has the form of a poodictic laws detailing a moral. Just as Christ was raised from the dead by the glory of the Father, so we too might walk in the newness of life. The book is mostly a collection of various instructions, exhortations and maxims referring to the whole gamut of themes regarding a life of virtue and ethical conduct. Sirach combines personal experience and traditional wisdom with divine revelation in the Torah, with liturgical practice and with personal devotion.

Death to sin must be complete, just as is the consequent rebirth to new life. The Judaism or Islam, most Christians nowadays do not consider the original-language version of their holy book the only valid one; translations have been the standard form for the spread of the Bible, though it was forbidden to translate into English in for William Tyndale who was strangled and burned to death for his work.
