The Mammoth Book of Dracula Details. Grab drinks at a beach bar and dance the night away to a live Garifuna drum. If you enjoy the idea or theme of time travel and its consequences you will enjoy this collection.

Also, there is a five page gem called 'RealTime'. But Otis and Will were determined to become the first people to see what the deep ocean looks like. This collection of short stories has a little of everything - observation of the past, actual travel through the use of a machine ala H. I also liked the number of different areas that were explored from meeting past selves to changing moments in time.
