I believe the murderer is in the right place. In the meantime between the wire tapings and the actual court case she has fallen pregnant again and actually is pregnant when she does her court appearance. Scott Peterson was a man who killed his wife and unborn child and was later on caught by the authorities. It really puts into perspective the mind of a psychopath. I don't consider her a hero at all and she's making money off this??? On their second date she introduced her month-old daughter to Scott Peterson. With the money from the sale of this book and other appearances I hope that she makes a better life for herself and eventually decides to write her own book with her honest feelings and account of the events surrounding the case.

A Memoir by Dixie Theriault 4 years ago. Soon enough, however, Amber began to suffer for telling us about the problem. On December 9, he broke down in tears and told her that he had been married, but had "lost" his wife.
