Ages 9 and up Continue the conversation. Comments Be the first to comment! Secondly, for younger players in particular, a parent should be present at all practices.

This is a thorough and well-written resource that covers virtually all issues. Amazon Inspire Digital Educational Resources. Sexual precociousness is another worrisome sign; perhaps the child starts making sexual comments or showing inappropriate sexual behaviors. It is hard to differentiate genuine care from those who prey on children.

I purchased this book to give to my sons and daughter in laws so that they may have no template for this discussion; it depends heavily on the child's age, the possible suspect, and how long ago the potential abuse may have occurred.
