In many cases authorities cannot legally intervene and terminate an abusive condition unless a report is filed, Abuse and the Elderly abuse is verified, and the victim files a formal complaint. Many states have adopted additional legislation to help stem instances of institutional abuse and neglect. Print this article Print all entries for this topic Cite this article.

McDermott stressed that the following scenarios are not exhaustive, nor mutually exclusive. Violent crimes included are homicide, rape, robbery, and both simple and aggravated assault. Article PDF first page preview. A successful response also required agencies to develop protocols which define the role of older volunteers. It is now hoped that a number of pilot programmes can be set up at Community Police Stations, with the aim of establishing how older volunteers can most usefully be recruited to work on programmes that are of benefit to the wider community.
