The case ended well because I got my record Expunged. Only takes a few hours to read this short, sweet book about the story of Lazarus, applied to our question of, why? Things seemed to be going right until I was called out by a visiting prophetess. I stumbled across it looking for some confirmation. I question Him all day long and I feel like I have such a lack of faith. None of the chapters are very long, and can be read in just a few minutes -- almost like a slightly long devotional. Been asking the Lord for answers, but I guess it's no how it's gonna be. Sadly myc though I did not give much importance to God when I was in this relationship, the moment my world shattered, God held me tight.
