Women cooked over the fire, suspending pots and kettles over the flames with chains, and they would bake in stoves that were embedded into the fireplace's chimney. The daily lives of most colonial New Englanders were much more colorful and exotic than the drab, pious picture many of us have in mind. Primary materials that range from legal documents to sermons, letters, and diaries are used as sources that verify historical ideas and events. [DailyLifeofColonialNewHampshire](#). In the early 17th century they wore a kind of jacket called a doublet with a cape on top. Send the link below via email or IM.

Churchwasanimportantcenteroftownlifeandallcolonistswereexpectedto use chests for storage. Later in the 17th century other grains like rye, wheat and barley were grown.
