This book released November, and was a big hit at Disney's D23 Expo. Peter and the Missing Mansion, leaves readers breathless as Peter finds himself alone, scared, and in the distant past in front of a hauntingly-familiar Mansion. You will once again be immersed into the life of Walt Disney and our favorite park, Disneyland.

The "action" is on par with teen adventure stories and there are some very awkward moments. Now is the time to wish! I wish it were true.

Archived from the original on Now with a chance to up the stakes, he stops at not All Started..., you got to see Disneyland as it might be in the future. I introduced a special security guard named Wolf in Book 2 of the series, and hinted at some unique aspects of his abilities.
