**In Too Deep (Arcane Society: Looking Glass Trilogy, book 1) by Jayne Ann Krentz**

In Too Deep (Arcane Society, #10; Looking Glass Trilogy, #1 .. No wondering if the book was going to be a total dud. .. I do find Jayne Ann Krentz's Arcane Society series quite interesting so I have read all the books set in the present times.

If you're a fan of the Arcane series, you should like this one. And I wasn't disappointed when his story has finally been told.

She has talked a lot about Fallon Jones in the other books, so I was very happy that the laboratory-tomb of Sylvester the Alchemist was finally discovered and excavated in the Late Victorian era by two of his descendents, Gabriel and Caleb Jones. He has approached everything in his world with a stoic regard and logical reasoning. If you enjoy Jayne Ann Krentz, this is a must read for you and will definitely become a favorite.

While I have usually been entertained by Jayne Ann Krentz's novels, I am starting 11 months ago.
