Jungle Warriors Adrian Threlfall. Jungle Tracks takes us into the thick of the battles, the ambushes and the horrendous mine incidents that claimed the lives of so many Australian soldiers. It is very readable and is brought to life through a collection of comments from veterans on events that typify the operations in which those men were involved.

Thanksfortellingusabouttheproblem.PointofviewTipsontechnique4: Gary McKay, himself a Vietnam veteran, and Graeme Nicholas, an Armoured Corps soldier, skilfully assemble these men's accounts to provide a unique view of the Vietnam War. And with brutal honesty, they tell the story of the decisive role played by the armoured forces in all the major battles involving Australians-both the failures and the incredible successes.
