Your aim is to gently persuade the student that you are committed to building trust. Managing learning in classrooms 5.

They may be able to see the screen but are they engaging with it or with you? Then

Does this product have an incorrect or missing image? How do teachers persuade pupils to want to learn?

Drawing on the views of overt teachers and pupils, it provides insights into what is your behaviour that has the greatest single impact on how safe students feel. Your calm and considered response will be closely observed by the rest of the class and they will be impressed by your confidence even in those emotionally fuelled moments.
