I really enjoyed the relaxed manner in which you played this - especially the repeated part where your RH plays a chord and then plays those 16th ascending notes. I think my favorite part is the chromatic dotted whole notes at the end: I agree that the crescendos are kind of hairy - and that it is easy to freeze up in those spots.

Piano was straight digital prerecorded, and sent to Audacity as usual. Too often it is played too fast, and then many of the fine nuances disappear. Arranger Louis Victor Saar Splendid performance Carey, I truly enjoyed listening! Best of the Classics. I'm pretty darn impressed.
